UMass Medical School's digital archive & publishing system for research & scholarship

Deposit your papers, posters, presentations, & data...
...to disseminate to a wider audience
...to gain more exposure to your work or ideas
...to facilitate research
...to receive usage statistics
...it's easy for faculty, students, & staff to participate!

Exposure

Poster with 6,900+ downloads!

"Without the tremendous response of our tiny pilot study, we would not have undertaken such a risk in forging forward with our current study. We greatly appreciate the exposure eScholarship@UMMS has provided for us in pursuing this groundbreaking and important research."

— Barbara Olendzki, RD, MPH, LDN, Assistant Professor of Medicine

International reach

Grant support

Open Access is defined as free, immediate, unrestricted online access to scientific and scholarly research.

There are 2 primary roads to open access:
1. publishing in open access journals, and
2. posting in open archives or repositories such as eScholarship@UMMS

Evidence of impact
