Hi Mindy,

Yes, I'm the right person! Dr. Lane's email will suffice. I've already made the change. Kevin Smee's thesis is now delayed until June 30, 2016.

Hi Lisa – Are you the appropriate person to check with regarding the Dr. Trivedi's request to delay the publishing of a thesis? Is there anything special that we need to do?

Best,
Mindy

Hi Mindy,

Who is the contact in the library for matters related to the thesis? Dr. Trivedi wants to delay the release of Kevin Smee's MS thesis (submitted last fall) for another six months. I am actually not sure whether the library requires formal paperwork, or whether the email will suffice. Can you check in to this?

Thanks,

MEL

Subject: Thesis publication deferment

Hi Mary Ellen,

I would like to request deferment of Kevin Smee's thesis for additional six months or if possible, a year. It was scheduled to be published in this month. Please let me know if I need to fill out any paperwork.

Many thanks,

Chinmay
