Research Training Wrap-up

- All course materials (journal articles, powerpoints, evaluation forms, etc) will be on Dropbox next week. You will receive an invitation by email to get access to the Dropbox.
- Teaching assistants who have been chosen to assist with course will also be notified by email early next week.

Assignment for Workshop 2:

- Please reread the journal articles distributed using the techniques introduced in our seminar sessions

Assignment for Workshop #2: For those just starting projects:

- Develop a research question using the PICO method
- Do a literature search and produce 5 articles which are related to your research project
- Write one page about which article is the most relevant to your research question and why.

Assignment for Workshop #2: For those who already have projects and proposals

- Please make a 5 minute, 3 slide presentation of your research project to share with the group.
The 3 slides should include:
 - 1) Background and justification for study
 - 2) Methods you will employ
 - 3) A list of 5 references that you used for your background section

Next Workshop

- **Next session: Early 2019 (Jan/Feb)**
- **Call for Pilot Project Proposals after workshop 2:
approx. March 15, 2019 (after workshop 2)**
