Prescription for Progress:
NN/LM New England Region Subcontractor Outreach Activities

Authors: Michelle Eberle, Penny Glassman, Javier Crespo, Donna Berryman, Mark Goldstein

NN/LM Mission
The mission of the National Network of Libraries of Medicine (NN/LM) is to advance the progress of medicine and improve the public health by: 1) providing all U.S. health professionals with equal access to biomedical information; and, 2) improving the public’s access to information to enable them to make informed decisions about their health. The Program is coordinated by the National Library of Medicine and carried out through a nationwide network of health science libraries and information centers.
