**National Network of Libraries of Medicine, New England Region.** NIH 5 UG4 LM012347-05, National Institutes of Health, National Library of Medicine, 5/1/16-4/30/21, $7 million. Mary Piorun, Principal Investigator. Martha Meacham, Associate Director; Jessica Kilham, Acting Associate Director. To provide information, outreach, and resource sharing services to health professionals and consumers in six New England states.

**National Public Health Coordination Office.** Part of NIH 5 UG4 LM012347-05, National Institutes of Health, National Library of Medicine, 5/1/16-4/30/21, $1.7 million & Program Income - NNLM NE Region 8 - Digital Public Health Library, $551,111 (FY21). Mary Piorun, Principal Investigator. Javier Crespo, Manager. To improve understanding and utilization of trusted evidence-based resources within Public Health Departments via a developed prototype digital library to expand PH Departments’ access to national and global public health information.

**Supplement – Community Engagement.** In addition to NIH 5 UG4 LM012347-05, National Institutes of Health, National Library of Medicine, 9/11/17-4/30/21, $1.5 million. Mary Piorun, Principal Investigator. Catherine Martin, Manager. The National Network of Libraries of Medicine (NNLM) and the New England Region (NER) has partnered with the NIH All of Us Research Program to build the NNLM All of Us Community Engagement Network with public libraries to improve health literacy, engage local communities, and raise awareness about the program for populations underrepresented in biomedical research. NNLM NER will connect with public libraries to provide health information, resources for programming, and funding opportunities.

**Supplement – NACC – National ACIOP Coordination Center.** In addition to NIH 5 UG4 LM012347-05, National Institutes of Health, National Library of Medicine, 8/1/19-4/30/21, $590,196. Mary Piorun, Principal Investigator. Penny Glassman, Manager. NNLM ACIOP Coordinating Center’s (NACC) goal is to enhance communication with current, past, and potential HIV/AIDS Community Information Outreach Program (ACIOP) awardees and Community Based Organizations working on HIV initiatives to improve their access to trusted NIH and NLM HIV/AIDS information resources. Membership is open to ACIOP awardees, community-based organizations, public health departments, public libraries, and other organizations working with people living with HIV.

**Exposing the Deep Content of the Publication: Knowledge Extraction for Neuroimaging in Child Psychiatry.** NIH 5 R01 MH083320-09, NIH-National Institute of Mental Health, 9/23/16-6/30/21, $11,767 (FY21 LSL). David N. Kennedy, Principal Investigator. Leah Honor, Informationist. The informationist supports the dissemination and implementation of a repository-based image citation schema meant to facilitate the precision and prominence of data citations, as well as helping to develop a framework for claims modeling and automated publication markup to more robustly interrogate not only the conclusions, but the underlying data and software tools presented in published research.

**JCOIN Coordination and Translation Center – Research Education.** Subaward from George Mason University (NIDA-NIH), 6/15/19-8/31/21, $25,837 (FY21 LSL). Warren Ferguson, Principal Investigator. Becky Baltich-Nelson, Jessica Kilham, Personal Librarian. The personal librarian supports JCOIN LEAP program by providing reference services for program participants, leading library orientation and PubMed search skills sessions via Zoom, developing educational modules for the learning management system, and participating in the monthly meetings for each LEAP group.
