The e-Science Portal is a resource for librarians, library students, information professionals, and interested individuals to learn about and discuss:

- Library roles in e-Science
- Fundamentals of domain sciences
- Emerging trends in supporting networked scientific research

Getting Started in e-Science

Preparing eScience Librarians for Managing Research Data

Sponsored e-Science Programs:

We encourage community involvement in the portal through comments, discussions, contributions and attending events. Join the conversation and participate in the New England e-Science Librarian Community!
