

MBLWHOI Library's Institutional Repository Stewardship Responsibility

WHOAS

The mission of the Woods Hole Open Access Server, WHOAS is to capture, store, preserve, and redistribute the intellectual output of the Woods Hole scientific community in digital form.

WHOAS: <https://darchive.mblwhoilibrary.org/>

The screenshot shows the WHOAS website interface. At the top left is the WHOAS logo and the text "WHOAS: Woods Hole Open Access Server" and "a repository for the Woods Hole scientific community". At the top right are links for "Login" and "About WHOAS". Below the header is a navigation bar with "WHOAS Home". A search bar is located on the left side. The main content area is divided into three columns. The left column contains navigation options: "All of WHOAS" (selected), "Communities & Collections", "By Issue Date", "Authors", "Titles", and "Keywords". The middle column contains a "MY ACCOUNT" section with "Login" and "Register" buttons, and a "DISCOVER" section with "Author" (selected), "Moore, Alicia Hills (367)", and "Hamburger, Viktor, 1900-2001 (296)". The right column contains a welcome message, a contact email "whoas@whoi.edu", and a list of communities: "International Association of Aquatic and Marine Science Libraries and Information Centers (IAMSLIC)", "Marine Biological Laboratory (MBL)", "MBLWHOI Library", and "SEA Education Association (SEA)".
