BACKGROUND

What is medical literacy?

Before Graphic Medicine
Medical literacy means a way to communicate with the public. In most medicine, we need to deliver the right information.

After Graphic Medicine
You tell me. Do we need that information? That is the right information.

METHODS

In order to identify what medical comics are used and how they are used.

POLITICAL COMICS

CONCEPTIONS

Non-Healthcare Related

ANIMATION

Humor & Stand up plays

Visual Arts

DATABASES

Total Articles Searched: 5,105
Potentially Relevant Articles: 500

PRELIMINARY FINDINGS

Only about 10% of our search results are actually relevant and usable.

OUR NEXT STEPS

Care Givers

Medical Practitioners

Medical Illustrators

Patients

Medical Education

Community

POTENTIAL IMPACT

Educating Medical Professionals

Practicing Medicine

How might you make use of comics in your practice and/or praxis?
