Searching LactMed and LiverTox for Drug Effects

Margot Malachowski, MLS, AHIP (she/her)
Education and Outreach Coordinator
Network of the National Library of Medicine, New England Region
June 23, 2020
Health Sciences Libraries Webinar Series

- Identify National Library of Medicine products and services.
- Integrate National Library of Medicine products and services into workflows.
- Assist institutional community members in the selection and use of National Library of Medicine products and services.
Case Studies for Using LactMed and LiverTox

1. Substance Use Disorder and the effects of harm reduction medications on lactation and the nursing infant.

2. Risk of acetaminophen toxicity and polypharmacy for the geriatric population.

Pre-Test:

1. ToxNet resources are now found in which of these NLM Products? Pick all that apply: PubChem; Bookshelf; PubMed.

2. Bookshelf enables full text searching in over 7500 books and documents in the life sciences and healthcare. True or False?

3. LactMed contains reports of substance levels in these locations. Pick all that apply: Breast Milk; Placenta; Infant Blood.

4. LiverTox may be used as an online textbook. True or False?

5. Using this PubMed filter will limit your search to Bookshelf: _______
Reminder: ToxNet Website Retired 12/2019
What is Bookshelf?

• Contains over 7500 books and documents in the life sciences and healthcare.
• Full text browse and search.
• Records indexed in PubMed.
• Indexed at the chapter level, so there are 15,000 records.
ICYMI: Resources Picks Webinar
Today’s Case Studies

1. Substance Use Disorder and the effects of harm reduction medications on lactation and the nursing infant. LactMed?
2. Risk of acetaminophen toxicity and polypharmacy for the geriatric population. LiverTox?
Go Directly to Bookshelf
Use the PubMed Article Type Filter

- Books and Documents
- Clinical Trial
- Meta-Analysis
- Randomized Controlled Trial
- Review
- Systematic Reviews

  LiverTox – Drug-Induced Liver Injury

November 28, 2018
Drugs and Lactation Database (LactMed)

• Bookshelf
• PubMed
• Accessible through PubChem
• Discontinued: LactMed app
Effects on Lactation and Infant Exposure

• Does substance affect lactation?
• Detectable in breast milk?
• Composition of breast milk?
• Dosage and adverse reactions?
• Exposure and infant age?
• Exposure and breast milk intake?
LiverTox: Clinical and Research Information on Drug-Induced Liver Injury

- Bookshelf
- PubMed
