Update from the Coalition

Hello Friends,

We would like to announce the addition of Jeffry Wright, Community Engagement Specialist, to the Coalition team. Originally from Jamaica, he worked for the Red Cross and as a primary school teacher. Most recently, he interned with the YWCA of Central MA after successful completion of a Massachusetts Community Health Worker program. Jeffry will be based at the YWCA but will spend most of his time out of the office and connecting with the community. He looks forward to meeting many of you!
