The Informationist Team hopes to show that this model, utilizing the skills of multiple librarians, is a viable way to support the increasing number of interdisciplinary and interprofessional research groups at the university who need help from embedded librarians. By working as a group, the Informationist Team is able to help in many new roles.

Survey Results After 1 Year (n=7)
- 5 of 7 had worked with Informationists, found what they needed, and saved time.
- “Having someone who knows database searching helped save me time.”
- “Found Sources I may not have otherwise.”

Changes from Pre-Survey (n=3)
- Moved from school server to cloud for storage of data, documents, etc.
- Recognized data management as important to work.

Traditional Roles
