Developing and Testing a Grading Rubric to Assess Students’ Evidence-Based Practice Search Skills: the Experience of a Cross-Institutional Collaborative Instruction Team

Len Levin, AHIP
Irena Bond
Alice Gardner
Monina Lahoz

\textit{Rubric, n.} A heading of a chapter, section, or other division of a book, written or printed in red, or otherwise distinguished in lettering; a particular passage or sentence so marked. (Oxford English Dictionary [online])

University of Massachusetts Medical School
Massachusetts College of Pharmacy and Health Sciences
Rubrics:

• Provide timely feedback
• Prepare students to use feedback
• Encourage critical thinking
• Facilitate communication to other instructors
• Renew teaching skills
• Level playing field for all students
