

## EXPERTS

# Who's managing your data?

Afraid of losing your data? Can't find or understand an old data set? Need to comply with funder requirements? The MIT Libraries can help.

[libraries.mit.edu/data-management](https://libraries.mit.edu/data-management)  
or email [data-management@mit.edu](mailto:data-management@mit.edu)

### What we offer the MIT community:

- Help with managing research data, from guidance on file organization for researchers and labs to assistance with data management plans required by funding agencies
- Assistance finding a place to store data long-term
