Goals of the Library Internship, Boston College Libraries

Science Librarian Internship, Boston College Libraries

Position Posting - 2010

Science Literacy Work Placement, ONAIR Librarian, part time (to hourx)

This is a one semester (summer) to four year, part-time internship for students interested in working with a current campus library program oriented toward a range of student populations. There is some possibility of conversion of the position into a full-year role.

Responsibilities:
- The science librarian intern works with students and will have direct contact with the science and technology students. At the science and technology work placement, the intern will have the opportunity to work with the library staff and students to provide research assistance and support for science-related projects. The intern will also be involved in developing and implementing science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
- The intern will be involved in the development and implementation of science-related instruction, including research assistance sessions.
